vs.
NOVARTIS PHARMACEUTICALS
CORPORATION,
Defendant.

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

Case No. 4:17-cv-04405-HSG

**ORDER REGARDING MOTION TO
EXCLUDE EXPERT TESTIMONY OF
DR. GREGORY K. LEONARD, PH.D**

Re: Dkt. No. 202

The Court has received and reviewed Novartis' motion to exclude the testimony of Plexxikon's damages expert, Dr. Gregory J. Leonard. Dkt. No. 202. In his report, Dr. Leonard relies, in part, on the opinion of Plexxikon's technical expert, Dr. Michael Metzker, to conclude that the technology of the patents licensed to Roche is comparable to the asserted patents. Dkt. No. 325-2 ¶ 103. The parties are **ORDERED** to submit the portions of the Metzker report or deposition indicating his opinion in this respect, or to indicate the location in the record where this opinion can be found, no later than January 8, 2021 at 12:00 pm. The parties should not include any further argument.

IT IS SO ORDERED.

Dated: January 7, 2021
